I have 19+ years experience caring for others children, I have been trained in Infant and Child CPR and First Aid and have taken many child related educational workshops over the years, I spent ten years working with Cuyahoga County with children in the early childhood development , I have been fingerprinted and FBI background checked, My home is Inspected ever year.

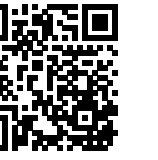

I have dedicated a portion of our home strictly for daycare. This gives us the unique advantage of having the best of both worlds of home and center. I have a small group of children yet at the same time I offer a childcare center like environment with lots of stimulating colors, no nick-nacks to avoid and with child friendly areas for children to explore and play.

I have a small ratio of 5 Children and I will only care for 1 child under 12 months in my group of 5.

I will give your child a creative & fun learning experience, some of what we Learn is Alphabet, Colors, Numbers, Shapes and a lot more.

We have Story Time, Music and Movement, Arts & Crafts

We also do activities that helps with the development of small and large motor skills.
