Large Nice House. Two blocks from NDSU. 1750 square feet plus a finished basement, 4 plus bedrooms, 3 full bath rooms, Hardwood floors, fireplace, large two car garage, fenced back yard. Central air. Well insulated. Tenants to be responsible for all utilities and yard work

Since this is a large house I want to avoid having it turned into a "frat house". For what its worth, Fargo City law states a maximum of 3 unrelated individuals in a house.
