Summit Ridge apartments are 42 unit buildings located on a quiet street backing to open space and near parks. The complex features an open kitchen and living areas, 9 foot ceilings on the first and second floors and vaulted ceilings on the third floor. The design creates a feeling of spaciousness not typically found in apartments. Heat is paid and 702 Communications or Midcontinent are available for cable/internet services. 1st floor units have walkout patios, 2nd & 3rd floor units have balconies.
