My boyfriend and I are currently looking for a new roommate. Our current one is having issues paying the bills as agreed, he also is not keeping up the part of his cleaning. My boyfriend and I just had to clean our entire house because due to his pigsty of a room we now have Ants. There is an exterminator coming in tomorrow. We have 2 dogs, who are very well behaved and love all animals, people, and kids. We live in a mobile home and the room is decent sized and comes with a bed, closet, TV and tv stand. If needed I can also move a dresser into your room. We share a large bathroom, there are 2 sinks, a lot of storage room. There are also a washer and dryer right outside the bathroom that you can use whenever. The common rooms you can use whenever. We aren't looking to bring in someone who feels they have to stay in their room all the time, the whole house is available to you. We also have a decent yard and parking if you need it. Please ask any questions you may:)
