Relocate room

If ever you wanted to move to California this might be the right opportunity for you!

I am looking for a female Roomate/daycare volunteer that loves to work with children!

The daycare is in my home and I have been running it in my home for the past several years.
 I care for children of all ages from 1.5 years and older. (Most of our children are 2-4 years of age)
 My home is very clean and we are looking for someone that is organized and clean too!

This opportunity will also allow plenty of time to work a part time job or go to school and can be a long-term or short term opportunity for you based on your needs and your performance as a volunteer.

About our family:

We are a Christian family that is quite busy going to church and taking our youngest son to sports activities etc.
 We also vacation in the summer and have a few other helpers as well.

If you happen to be a great fit for us this can even turn into a paid opportunity come October as a paid position may open up.

If interested you may respond via email. Please include your name and contact number to receive a quick response. Once we speak by phone we can set up a Skype interview and if the distance is too far we can do a face to face interview.

We are looking for great and hard working people who are willing to work in a home, shop, office, restaurant, etc. to seek employment.

Thank you and God bless you!

Olivia
