Just minutes from downtown Oklahoma City, The House of Plenty is a facility for Veterans living with P.T.S.D. A safe environment is essential in providing a strong foundation for reentry into society and to transition wounded warriors back into everyday life. The House of Plenty is unique and tailored toward each of our residents' individual needs. This facility supports the 12-Step program and principles. We focus on both personal and professional growth, strong morale, physical fitness, and encourage exploration of spirituality. We offer premium amenities with a fully trained staff to help transition our residents into an independent future.

We have beds available in eight spacious rooms, four bathrooms with walk-in closets available for week to week rental. House has common areas with quiet and nice room mates. Bedrooms come furnished and the rest of the house has everything. Perfect place to study or relax. Convenient location, nice neighborhood in OKC/Del City area. Just minutes from bus line. Non-smoker and substance-free only.Â
