Selling my clean title bmw e30 5 speed manual with 220k miles.

The body has several stretches, dents and dings, but the paint still shines and looks amazing. The roof has no holes or cuts, but the rear window need replacement. The interior is fair with the two front seats that are in good condition but the rear seat is ripped.

Timing belt was changed very recently, brakes were changed, clutch was changed, and regular oil changes made. It does not run perfect for it is a 25 year old car (sometimes it revs up to 3 rpms), but it drives. Also, the suspension is most likely shot.

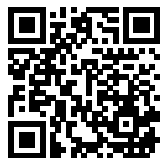

Everything functions, power windows, pioneer stereo with aftermarket speakers.

No trades, Cash only.
