I am flabbergasted by the housing increase! I need a little help. I'm willing to pay 12-18 hundred a month. But I have a dog and my buddy who's a engineer has a dog too. We're extremely professional and honest too a fault. Are dogs go to work with us on a daily. We're single men who work hard and play hard in the mountains on weekends. I'm 32 and my buddy is 35. If you have a place you want to rent out and not have to worry! I'm your guy. Thank you
