Test our app, and enter a drawing to win \$100!! It's that easy!

We're a tech start-up looking for iPhone owners who are in the process of apartment-hunting to test our new rental app.

The 'testing' will take place in two stages: first stage you'll just play around on the app and report any problems or bugs, and then second stage we'll ask a few pointed questions for you to answer (like "what'd you think of the zoom function on the map?").

It's easy, fast and rather fun! You might win \$100, and you'll probably find your dream apartment!

Shoot us an email if you'd like to participate. Put "Test app for \$100" as the subject line, and let us know your name and email address. (Any emails that don't have that subject line will be deleted.)

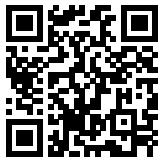

We'll send you further instructions after!
