Hi

I need a tow truck driver that lives within 5 or 10 miles of 82nd and division

no CDL required just Valid driver license (required)

one year experience (required) with reference (required)

Need drivers ASAP can start immediately

pay is minimum wage until training is over usually 1 week then pay is 25% of the tows you do, commission only

friendly work environment can make a lot of money depending on the hours you work

Tow truck driving requires a lot of your time. The typical driver will take the truck home and wait for the next call working around the clock 24 hours a day.

it would also help you get the job if you can work all weekend Friday through Monday you can pick your other 2 days off OTHER than the weekend.

we usually don't have many tows at night and you can sleep on your down time

If this is something you are interested in please call Andy at show
