If you've ever been inspired by the stories of Muir, Shackleton, Krakauer, Byrd, Fawcett, and all the others, the staff at KnifeCupCompass.com would like to hear from you.

We're a classic outdoor gear store inspired by the items explorers used to carry with them. While gear is great and we love talking about it, we love telling and sharing stories about our adventures more.

What we're offering:

- Your stories in your own words about adventures you've had in KnifeCupCompass's Dispatches section.
- Credit and links to your social profiles, website, etc.
- Becoming part of the adventure storytelling tradition.

What we would like:

- Your original stories about adventures you've had in the Northwest and elsewhere.
- Photos if you're willing to share them. They'll bring the story to life.

How to contact us:

- Reply to this post or go to KnifeCupCompass's Facebook page (https://www.facebook.com/pages/Knife-Cup-Compass/260105673157?ref=page_internal) and us a message that way. We'll be conversational and where it goes from there.

- Please reply in this space, use the name Shackleton. We're fine with that. This is to let everyone who hasn't read this entirely.

Thanks. We hope to hear from you.
