

# FOUND TWO DOGS NEAR NW 41st and Classen

Location **Oklahoma**

Found two dogs on nw 41st st between classen and penn!! Both have collars but no tags and are not microchipped! Looking for their owner!! They're very sweet and I'm sure someone misses them!!

White one is definitely young, brown pointer seems to be at least a couple years old!

Must identify genders and collars to claim! And having some photos of them, too, for good measure!
