Someone was not paying attention and left the door and gate to my home open on Sunday, 06.14.15 evening. My 15 yo dog, old and somewhat demented escaped. She is all white, Jack Russell. She very friendly and will follow you home in her confused state. Her name is Enid, but she's pretty deaf. Please, please, please contact me if you have any info! She may have headed over to Salty's on.
