Portland residents and perspective homebuyers...Would you buy a house in Fukushima,Japan? No? Why,then why would buy one in the city a few thousand miles away where the air currents brought most the radiation down and is still coming everyday and forever! They must think they can pretend as though fukushima radiation is not causing illness and death in Portland.Well since the Public is not forcing them to,it seems everbody is living in "Pretend Landia" in Oregon.Fukushima is the worst man-mace distater in human history and one that killing off life in the Ocean leading to Doomsday.Portland's houese / home buyers Radiation cover up is a crime against humanity that will be affecting the health of Oregon residents for rest of everyone's life and of any possible future generations.If you have health problems,are pregant or have small children it might be best to move more inland and farther away from usa west coast.The US Banking Industry owns most home properties mortgages and is using it's powerful influence over Portland's corporate tv news and newspaper media to censor Fukushima radiation,deaths,birth defects,water,air and soil contamination in Portland.Many property owners of Portland Metro and Oregon coast vacation homes are selling and moving from the state .If you ate familiar with oregon then you know that home - land fraud is common since that is the only real economy of Oregon.Oregon Property prices will soon collapse that being adjusted for Fukushima radiation with the end of media lies, the truth will soon be know about oregon / portland house / housing fraud and illegal inflated market value of apartments / homes / condos and business property.Afyer all who wants kids with birth defects and mutations.who wants to pay top tollar to live in a post-nuclear apocalypse zone eating radiation covered food <http://washingtonsblog.com/2013/12/fukushima-radiation-something-else-causing-mass-die-wildlife-pacific-ocean.html> "The Great Question" Why have the People of Portland allowed their local tv,radio and newspaper media to lie to them about the Fukushima Nuclear Meltdowns and the massive amounts Radioactive Fallout that resulted after and continues to this day? Oregon Public Officials : Why did they allow State and local Politicians to not provide A Community Health Alert,Basic Safety Information and Iodine medication when it was obvious to everyone that atmospheric Radiation (wind currents) from the Fukushima Plant Thermonuclear Meltdown's was going to reach the West Coast days after March 11,2011.Why do so many still accept the corporate-government media lies and propaganda 'to not worry about fukushima radiation'? As they watch "Apocalyptic" die-offs of Sealife and Birds taking place in the Pacific Northwest and west coast beaches.Do you still believe the media lies that this is not caused by radiation? "This must not be real and just a bad dream that we will all wake up from,right?" Portland News "Fukushima what's that? Sounds like my favorite Sushi" -portland news reporter <http://Enviroreporter.com/investigations/fukushima> <http://fukushima-diary.com> <http://fukushimawatch.com> <http://naturalnews.com/fukushima.html> <http://fukuleaks.org/web/TEPCO/GE> <http://en.wikipedia.org/wiki/TEPCO> There is no way to stop Fukushima Radiation from continuing to cause death,sickness and birth defects in Oregon.We will soon wake up to find they have been covering up the truth from us all along.Tell your local news station or newspaper to end the Fukushima Radiation Toxic Fallout and Rain from Japan and contaminated Pacific Ocean and City of Portland,Or Cover-Up 2011-2015 and report the truth!
