looking for someone to adopt my parakeets (FAIRVIEW)

Location Oregon https://www.genclassifieds.com/x-507051-z

I've made this add before and I haven't found the right person for them..

:0(

I would like someone with a very very large aviary to come and get them.

I need pictures PROOF that you have one and that you have space for them.

4 parakeets

a yellow a green a white and a blue

someone who has a VERY huge cage so that they may swing and roam

or someone with something better like a room for birds or something idk.

I had someone send me an email about having them roam in their home freely but I want a person who has a specific room for them. or perhaps they may poop on your furniture :o(

i'd greatly appreciate you..

thank you..
