Beware of this seller as he ripped me and several other people off , He plays a bait and switch game or he will say leave it here and when you come back to get it he's taken all the parts off switches parts out and you end up with shit, I paid 1800\$ for a motor that lasted 6 months total, He states that You cant drive a vw through the water , or a mud puddle as it will quench the cylinders and you will loose compression , what a joke tell that to the guys on you tube that float there vws , cant drive it through the water what a liar and a con but that's his game , insinuating every possible scenario that you will have taken to ruin this shit pile of a motor that he's sold you , after he built this motor up by saying its the shit and has all the bells and whistles TURN KEY he will say , far from the truth with this guy, He's the biggest thief in camas wa steals stuff from his work and get this he's a foster parent , imagine the morals he's teaching his kids or the ones he's fostering by ripping people off , or maybe its just that he's ripping the state off to , either way He's ripped a guy off that left his truck at his house as he was having troubles when he came back to get it he had taken off the guys shocks and then took him out to show him his sand rail as to what he had put them on , this guy is NO GOOD , BEWARE tell your friends family and coworkers to beware of this seller on crown rd. in camas , he doesn't stand behind his motors or vehicles that he sells, he blows a lot of air but I had Zinda and son vw in vanc tear my motor down and this is what they found and will validate , he through this motor together with crappy parts ( meaning the motor I thought I bought wasn't the one he pawned off on me ) Bait and switch they found a cracked carb as he had changed them out several times when I had taken it back it washed out the cylinder breaking a ring on # 2 cylinder the valve springs wore out the ends of the valves caused by crappy parts , every bolt on this motor was loose and it leaked oil it broke down the first night I had put it in and it had a box of parts that fell off or were damaged or faulty in the first week I had it , this guy is out to rip a lot of people off even his relatives state that he does this to everyone So please beware THIS WILL GET FLAGGED AS HE TRYs TOI KEEP HIS DISHONESTY ROLLIN BUT PLEASE SHARE WITH FRIENDS AS TO NOT LET HIM DO THIS TO ANYONE ELSE., and please also ask your self this , would I have any complaints if I had not been ripped off , people that are wronged will go to great lengths in order to warn others , this is what I'm doing and will continue to do , People that know me and I'm very well known in camas and Washougal know that I wouldn't make this kind of stuff up for no reason they also know i'm very determined , seriously what was he thinking ripping someone off from a small town that is well known , I cant imagine how he feels showing his face in this town anymore as to everyone and there pets no about this guy , everyday in some kind of way I tell at least 3-5 people a day , I HAVE NO REASON TO LIE , he had a choice to do right or rip me and others off and he chose wrong , now he's losing business and he's becoming well known as to what he truly is a liar a thief and a con. and then he posts against my ads stating that i'm a tweaker and i'm this and I done that and u cant

drive a vw in the water , yadavada vada what he is trying to say is that he's guilty and he's got to diminish the character in me to save his face and make him feel good about what he's doing , real IM WASHOU GAL THE WORST LIE OF CROWN RD IN CAMAS
