

Authors Workshop

Location **Vermont**
<https://www.genclassifieds.com/x-507192-z>

I have a degree in Technical Writing and I am hosting an author's workshop for aspiring writers. This creative writing workshop shall cover how to develop writing skills, edit, market, copyright and self publish your manuscripts. I am currently in the process of writing a book myself and would like feedback as well. I live in Burlington, VT. The meetup for this workshop can be conducted at a local.
