We are the busiest Silk Screen and Embroidery shop in Thurston County. We recently lost our Office/Warehouse Help. I am looking for someone who would like a part time gig (Tuesday, Thursday, and Friday) or (monday, Wednesday, and Friday), 9:00am to 5:00pm. Call

for an address to send your Resume'. I am fairly negotiable on start Time but not negotiable on the 5:00pm quitting time. PLEASE, if you do not posses organization skills and are someone who likes to show up 10-15 minutes late everyday DO NOT APPLY OR CALL! I do not want to come across rude however I am way too busy to field a bunch of calls from persons who do not posses the Basic Skills I am requiring. The right person will start almost.
