Attention co-ed High School Students interested in a rewarding summer work opportunity - no experience necessary!!!

Are you motivated?

Are you a hard worker?

Are you interested in possible leadership opportunities?

Are you goal driven? Do you like cash bonuses, prizes like tickets, weekend get-aways, and other non-cash prizes for hitting goals (the goals are realistic!

Want to make some pretty decent cash this summer?

Why not spend the time with your closest friends working outside in beautiful Gig Harbor this summer, making memories that will last a lifetime with the potential to earn some pretty good money, other cash incentives, and other cool stuff while gaining some rewarding work experiences (not just labor)?

I'm putting together a paint crew of motivated High-School friends who are looking for summer work as a group, love to work hard and play even harder!

Talk to your friends and shoot me a text or email.

Think you have what it takes to be an effective leader of your own crew? Can you drive production,
