Need Welder For Project (Everett)

Location **Washington** https://www.genclassifieds.com/x-507244-z

Need a welder to help with a project. Need to get the image below made as close as possible.

Budget is \$65-\$100 for the two legs I need INCLUDING material. Will be in the future needing more as well.

Tentative size will be 23in high, 18in length.
