Looking at building several stalls with large runs and daily turnout pastures, and a large round pen. I want to make sure there would be a need for this type of facility before we start building. What would be included:

- Daily cleaning of stall and run
- Shavings in stall
- Timothy hay or alfalfa (your choice) 2 X daily
- feed your grain/suppliments
- daily pasture turnout upon request
- fly mask/fly sheet - winter coat on/off service
- water cleaned daily
- trailer parking
- future outdoor arena

All services provided for \$300 per month, in the Sheridan area. If this is something that you may be interested in, let me know. If I get enough interest, then I will proceed.

Thank you!

Cathy
