

## Water Witching finds water (Cheyenne)

Location **Wyoming**  
<https://www.genclassifieds.com/x-507268-z>

Hello I am a Water Witch My Father before Me and his before him, it has been passed down thru our family for many generations I have been witching wells locating water since 1974 I can find water where others may fail, because it comes thru fissures in the rocks and shale below could be from many miles away under your land somewhere I can find it. Call before drilling to get best results. don't take a chance drilling without witching first or you may waste money and drill a dry hole, the standard fee for my services is only \$250 senior discount of 20% or Veteran discount 20% takes \$50 off the fee.

I will find water for you,I have never missed, we can help you get the water you need just ask.

Thanks so much. "Don't Forget Hire a VET and you won't Regret"

-NOTICE- no cancellation fee if cancelled day before appointments, Which can be credited towards the service if re-scheduled to be done within 30 days, so if appt was for the weekend then if rescheduled for following weekend then it can be credited towards the next service appt to locate water for you.
