About the instructor: A native Hindi teacher with more than 11 years of in-person and online teaching experience. These lessons are geared around my own teaching materials - grammar handouts, step-by-step alphabet writing guides, weekly homework sheets & audio clips (alphabet recordings). Learn to read and write in the Devanagari script in less than 3 months!

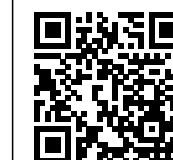

The duration of each online lesson is 60 minutes. Each one-on-one lesson is personalized to accommodate your language learning skills. I accept payments via PayPal, Venmo & Square Cash. I have weekday and weekend scheduling options available. References can also be.
