Steampunk?

Dieselpunk?

Cosplay?

Vintage? Gatsby?

Victorian?

Edwardian?

Country-Western?

I SAY YES!

You name the theme, and Swag Weddings can do it - - and I'll dress the part!I'll even do a traditional wedding - religious or civic.

You have the choice of saying your own vows, or using ones that I will prepare that you may select from.

I am an ordained minister (17 years) and have degrees in counseling. I conduct wedding ceremonies and will do pre-marital counseling as well. I will do religious or civic weddings and religious or secular premarital counseling.

Having compared rates charged by other officiants, my rates are low and very reasonable. Of course
