Hi!

I need some female models (18 - 30ish) comfortable enough to do a nude photography shoot. I don't care if you have modeling experience or not as long as you are okay with the work. This won't be an erotic/pornographic shoot but will be tasteful/artistic nudity. Shoot me an email, let's talk and shoot something fun! I would especially love to do an outdoor shoot so if you are interested please let me know.

If you are interested please shoot me an email with name, contact info, age and a couple recent pictures (also include your rate if you have one).

I look forward to hearing from!
