

Please note I am getting to much spam please include your contact info or I will not reply

Custom woodworking shop taking new orders. I have a full cabinet shop and can produce what ever your imagination desires. I work with full raw stock. Every piece is handcrafted to become your family heirloom. Museum Exhibits, store displays, Built ins, bookcases, fireplace mantles, entertainment centers, armoires, furniture, shelf units, kitchen cabinets, moulding, mouldings spice racks, Flat screen frames, rustic mountain lodge pieces, you name it I can make it.

I have access to all species of wood and exotic rustic materials as well.

If you have an idea or maybe you've seen something you liked but it was not the right size, I can custom build it for you. Or if you need a display built for your store or product give me a call I can create anything you like.
