

rock band seeks multi (... USD)

Location **Washington** https://www.genclassifieds.com/x-507514-z

we're a rock band looking to add a 4th member to our line up, someone that plays a bit of keyboards/organ/mellotron, a bit of guitar, harmonica, assorted percussion devices, and can control a few interesting little noisemakers we like to use..... electronic tamboura anyone? it would also be super awesome if you could sing some back ups as well...

give us a listen:
