

I am Larrys foster home, and unfortunately his time is running out and he needs to find a permanent home immediately. You will fall in love with Larry the minute you meet him. He is a sweet, hyper, loving boy who just wants to be in your lap and petted. He would do great in a family home or just a couple home. He is good with dogs but will NOT be placed in a home with cats because he is not friendly with them. If you are looking for a companion, running buddy, protector, or just a family dog, Larry is the one for you. Serious inquires only, Larry will end up back at a shelter or another foster home if we don't get him placed soon. Please contact if you can give Larry a loving home.
