

# SO IN LOVE Incredible Vintage Anna Campbell Wedding Dress (1000 USD)

So this dress is one of the most posted and shared dresses on Pinterest but I went ahead and bought it!! An exquisite Anna Campbell vintage sheath dress, Size M (Wedding dresses are a size smaller than typical sizes) but you can alter it. I bought this dress along with a Reem Acra dress and neither style fit the new wedding theme. We were doing a vintage thing but the groom wants to go modern. This dress is much coveted so let me know if you want to try it on!
