This 2005 Gibson Les Paul Custom Custom Shop Electric guitar has a moderate amount of fret wear. The pots have been upgraded to CTS pots. It plays like a dream and sounds amazing!!! It comes with the original hard shell case. \$2750 Due to fraud and scammers I can no longer respond to E-Mail or Text messages. Please contact me by phone or stop by (6 1 5)83 1 - 55 00 I am at 3922 Nolensville Pk. Nashville Tn. 37211 9am-6pm Mon-Sat. I have over 100 guitars for sale from \$80 to \$15,000. I also sell Amplifiers, Drums, Microphones, PA and Recording gear. I MAKE CASH OFFERS ON GOOD WORKING GEAR. Trading can be difficult; I would rather bid your gear for CASH and sell my gear as low as possible.

Thanks

Bill
