I am selling my 1996 chevy Monte Carlo LS as is. The car is a v6 3100 with only 125xxx miles on it. It is a daily driver so the miles will increase. Overall great car. Runs and drives smooth. Fresh inspection and registration and brand new tires. Clean and clear title in hand. Call or text anytime to come by and check it out. I am asking 1650 or best offer. ask for!
