Canon Powershot SX600 HS

Location **Virginia**
https://www.genclassifieds.com/x-507706-z

 brand new and never been opened.

Product Features
16.0-megapixel, 1/2.3" CMOS sensor

Captures high-resolution images up to 4608 x 3456 pixels.
18x optical/4x digital/72x total zoom

Through an optical zoom lens enables precise zooming and accuracy.
3" color TFT-LCD

With 461,000 dots resolution makes it easy to review photos and videos.
Dedicated movie button

Allows you to shoot high-definition video footage with 1080p resolution at 30 fps. Hybrid auto mode lets you record short video clips before still photos and compile them to form a highlight reel.
 DIGIC 4+ image processor

Along with the high-sensitivity CMOS sensor creates the Canon HS system, which helps provide optimal low-light performance.
Optical image stabilization

Helps prevent image blur caused by camera shake and vibration to ensure sharp photos.
Scene modes

Include portrait, smart shutter, high-speed burst, handheld night scene, low light, fish-eye effect, miniature effect, toy camera effect, monochrome, super vivid, poster effect, snow, fireworks, long shutter and more.
Creative shot mode

Uses composition, color and lighting from your original shots to create artistic images.
Smart AUTO mode

Automatically selects the appropriate settings based on 32 predefined shooting situations.
White balance modes

Include auto, daylight, cloudy, tungsten, fluorescent, fluorescent H and custom to ensure optimal image capture in a variety of lighting conditions.
Flash

With auto, on, slow synchro and off modes lets you add extra light to your shots when necessary.
Autofocus

Helps bring subjects into clear view.
Built-in Wi-Fi

Makes it easy to transfer images and videos to a compatible mobile device, computer or social networking site and lets you shoot remotely using your compatible cell phone or tablet.
NFC (near-field communication) technology

Allows simple wireless pairing with compatible Android devices. The mobile device connect button enables you to link your compatible Android or iOS device for rapid sharing.
