Chaturbate partner

It's pretty straight forward. I'm a tall, athletic WM looking for a female chaturbate partner to do cam shows with. The couple rooms usually get way more traffic and tokens, and the split would be 70/30 in your favor, since let's be real most people who watch couple shows don't really tune in because of the guy. Email me if you're interested and change the subject line to "Cam show" so I can weed out the.
