

In urgent need of clean urine (Burlington)

Hello all,

I have a drug test today at 4pm in Burlington and I will pay anybody for clean urine (no alcohol within the past 5 days, and definitely no drugs *including herb* in your system).

All I do is a bit of 420 and an occasional drink, but if my dad finds out I'm fucked. He'll send me away all over again.

Please, I'm desperate. I really need some help on this.

Thank you so much,
