I am writing to you all, to introduce to you the QSaw Premium Band Saw Blades. These German-engineered, American-made blades and are guaranteed to compete with Amada, Simonds, Lennox and other leading brands in the market in terms of quality and durability. We carry three different types of blade, carbon, bi-metal as well as carbide tipped band saw blades. Attached is a file containing their respective features and benefits that would greatly help you and your company in keeping your operational cost at low while increasing productivity.

We are an online business model company that provides up to 30% off on the prices of band saw blades everyday with additional savings for volume orders. Along with the excellent quality blades and very competitive price your company would be getting, we also back our blades with a 90-day warranty. Attached is the Bandsaw Blade Flyer. This is a list of the band saw blades that we carry.

Please provide the following information so I can send you a quote that you can use to compare with your current supplier.

Blade length

Blade width

Thickness

TPI

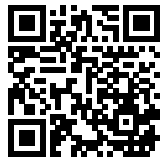

Blade type (carbon, bi-metal or carbide tipped)

Band Saw Machine make and model

Feel free to contact me if you have questions or if you would like to order and try out some blades. My direct line is You may also call Toll Free # extension 812.
