I'm leaving Knox county, Indiana Sunday 6/28. We will visit Mt. Rushmore, Spend more than a day at Yellowstone/Big Sky, Stop in Butte, MT, Spend a night on Mt. Ranier, and lots of stuff in between. I have a tent, stove, and cooler, We will be camping 4 - 5 nights.

You can request a ride somewhere along the route to these landmarks and I will accommodate a reasonable request. If you're in for the long haul, expect to pay \$125 for gas and an even split for campsites. We can go grocery shopping together, or you can feed yourself separately. You will have a reasonable amount of cooler and trunk space.

I drive a reliable 2009 Toyota, recently tuned up.

I expect full payment either cash or paypal before stepping foot in my.
