She is an absolute sweetheart whom we love too much to keep. :(we both work full time with a baby on the way. Husbands allergies are hurting badly and we never seem to have time to spend with her anymore. She deserves a loving family who can spend time with her. Preferably a family with kids. A fenced in back yard would be perfect. She is not good with big dogs but loves cats. She will protect you with her last breath and love you no matter what...it tears me up to have to give her up but she deserves better than we can give her.

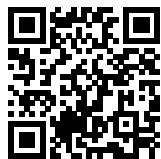

She is a year old with updated shots. She is not fixed due to not having time.
Her removing fee is \$100. BUT with it- you get a brand new pen, toys, grooming tools, etc.
We will screen applicants to make sure she doesn't go where she will not be happy.

So if you are interested, please make sure you have the time and love to spend with her!
For truly interested family, I will send pictures of her, her toys, grooming tools, and.
