Flo-Rite Inc. has been serving the metro Milwaukee area since 1975. We install all types of siding including Hardie Plank cement fiber siding, Vinyl siding, Aluminum and Steel siding, as well as Cedar siding.

Whether you are remodeling or building a new home, you can trust in us to give you the best service available. We have thousands of satisfied clients and have the highest rating available by the Better Business Bureau (A+). I as the owner work on many of my client's homes as well.

We offer many other services as well such as roofing, seamless gutters, leaf protection, windows and doors, carpentry, etc. We can even build your addition, build a rec room, or update a kitchen or bath.

Give us a chance to work with you. You won't be disappointed!
