Flo-Rite Inc. has been serving the metro Milwaukee area since 1975. We install all types of roofing products from various manufacturers including GAF/ELK, Certaineed, Owens Corning, IKO, and others. From shingles to rubber roofing, we do it all!

We work with all Insurance Companies if you have storm and hail damage.

Whether you are remodeling or building a new home, you can trust in us to give you the best service available. We have thousands of satisfied clients and have the highest rating available by the Better Business Bureau (A+). I as the owner work on many of my client's homes as well.

We offer many other services as well such as siding, seamless gutters, leaf protection, windows and doors, carpentry, etc. We can even build your addition, build a rec room, or update a kitchen or bath.

Give us a chance to work with you. You won't be disappointed!
