\$65 Special weave sew in with leave out or
 Lace closure with light bump bangs
 Special last from 8 am -1pm Mondays Wednesday

\$70 Silver Weave -- In order to get the \$70 special you must leave a portion of your own hair out to cover the track. The \$70 sew-in weave comes with a trim and a flat iron. If you would like a detailed cut such as layers or a bob that would be an additional \$28. For all weave services there is an additional \$30 to have your curly or wavy weave flat ironed straight.

\$78 Silver Weave+ -- Traditional Silver Weave package plus detailed cut.

\$98 Gold Weave -- If you want a complete closure where none of your own hair is left out, that is \$98 and comes with any cut.

\$100 Platinum Weave -- is our best weave! This is ideal for bald spots, thinning hair, short hair or if you

just want to get more wear out of your weave. The net secures the braides. You can get this with hair left out or a closure. The net is approximately 2-3 months and comes with any cut.

\$65 Silver Weave -- This weave is bonded and comes with a trim and flat iron. If you would like a detailed cut such as layers or a bob that would be an additional \$28.

\$65 Weave Retouch -- The Weave Retouch includes a Signature Wash and Instant Conditioner. It is recommended every two to three weeks to properly retightening of any loose tracks and restyling. Proper maintenance will increase the life of your weave.

\$65 Weave Retouch w/ Wand Body Curls -- Traditional Weave Retouch package plus body curls
