I have a 4 month old kitten that I cannot keep. I've reached the limit of pets in my apartment.

He is a very sweet kitten and loves to cuddle. He is very relaxed around children. He has met a few dogs. He is frightened of them but seems to give them a chance before running away.

He has not been neutered and does not have shots yet.

I want to see him in a good home where he will be cared for the rest of his life. He's a sweet boy and deserves a forever.
