## **Roommate wanted (Gillette)**

Location Wyoming https://www.genclassifieds.com/x-507907-z

I have a room for rent. It has a walk in closet. And new carpet. All living spaces will be shared. But since I work most of the time you will pretty much have the place to yourself.

The room does have a bed, but no night stand or dresser.

I do have two dogs. They are usually well behaved.

I am asking 450 a month. This includes rent, utilities, wifi, and.
