Hello! My name is Joy, I am a stay at home mama of one (her name is Ayla), and I am looking to take care of an extra child for an extra source of income.

I am CPR Certified, I cook and eat healthy foods, I keep a clean house, and I don't watch very much television.

We have a decent sized front and back yard. We have a small garden (the tomatoes and watermelons are doing superbly). We have an almost-grown kitty named Magnolia and a 4 year old lab/pit mix named Jasmine. Both are well behaved and great with our baby Ayla.

I'm real easy-going and would love to meet you and talk about your child/children, what you'd expect from me, and how much I'd charge. You can call or text or email.

Thank you and have a blessed!
