WOOD DECK REFINISHING
 Pressure Washing

=====

Our Deck refinishing services consist of cleaning & treating deck surfaces.

We can properly protect and highlight your wood deck's beauty. We will renew your wood deck and protect it from the damaging effects of sunlight, fungus and moisture.

Protect your investment and save money in the long run, all while enjoying a beautiful exterior.

Without protection wood rapidly deteriorates from the following elements:

Water - Sun Light -- Mold -- Mildew -- Algae - Fungus.

Let us add life and enhance the beauty of your deck!

Pressure Washing:

- Concrete sidewalks, walkways and driveway
- Brick and concrete walkways and patios
- Parking garages

- Stairwells
