Beautiful property tucked away on over 1/2 acre of land in the Lee County School district. This home sits on lovely, level, shaded lot with mature trees and features a large wooden deck that expands the length of the back and a 600 square foot workshop/ garage. Picture perfect and move in ready! Enjoy the outdoors with the expansive wood deck and peaceful setting. The master and kitchen lead out to the deck. The home features a separate living room with fireplace, cathedral ceiling and wood laminate floors. No carpeting here, only the wood and tile in the kitchen, dining and baths. Stainless steel appliances, tile counter tops, large laundry room and pantry. The master BR has a tray ceiling, garden tub and walk-in closet. Increase the value and square footage by finishing the 2 BR's.
