This is one of our nicest offices.....

The office is just under 1200 square feet and features 4 large rooms and a small copy/file area. The suite has a reception area with hardwood floor. The suite then has two large offices with windows and plus a large corner office. This office is large enough to be a conference room / training room, for 2-6 small desks or one really nice corner executive office. It features floor to ceiling, wall to wall glass on two walls!

The office normally leases out for \$1395 per month; however, we are willing to lease the office for \$1250 per month, plus give the first 30 days free and discount it to \$1000 per month for three months.

The building has an Atlanta address, although it is located in Cobb County by I-75 and I-285 by Windy Hill Road.
