Location **Georgia**

This is the ultimate location as far as convenience. It is between Northside hospital and Roswell Road AND it includes all utilities!! The complex offers an Olympic pool, tennis courts, a racquetball court, an outdoor fireplace, a new gym, and a nice walking path. It is also perfect for bike riding. The Prado is about a mile away (Publix, Target, Taco Mac, 5 Seasons Brewery, Kobe Steak House, Marlows Tavern and more). The apartment itself has 2 bedrooms and is offered furnished or unfurnished. There is a fireplace, a nice outdoor patio on the 2nd floor, and plenty of light. There is a closet in your bedroom. The entrance to your bedroom has double french doors. There is a tub/toilet with a door on each side. Outside each door is a separate vanity/sink for each person. There is a full-size washer/dryer. There is a parking garage under the building next door.

I am a 54 y.o. professional female who is a lot of fun. I have 1 cat (a Persian) who is goofy as all gitout. I promise you will like him. Everybody says he looks like Garfield.

The room will be available June 15. I have attached some photos. Sorry - no smoking, only one person, females only due to bathroom layout.

I look forward to hearing from!
