This home is being offered subject to a Lease with Purchase Opportunity, which means that you may lease this home and if/when you're ready, you may purchase the home from the owner. This enables the resident to "try before you buy". The Program is generally for individuals and families who are interested in home ownership, but who may want/need to take some time to qualify for a mortgage and generally

prepare to become a homeowner. For individuals interested in finding a long term housing solution, this is a great opportunity to find a Rent to Own opportunity. The investor will be able to connect you with a local moving and storage company. You will be able to find out the readiness of ownership and the many problems that may be needed. The rent or mortgage will be a one to your new service. The investor will not provide a direct mortgage. The rent will be the same as the rent. The investor will find a mortgage independent of the more information or showing instructions. Direct Office Move in Special: Please call for our current move
