

Summertime nannybabysittertutor (w MaEd)

Location California https://www.genclassifieds.com/x-508143-z

I would love to work with children over the summer, so if your family needs a responsible and kind person to help while the kids are out of school, please send me an e-mail to discuss details.

I recently graduated from Antioch University Santa Barbara with my Masters degree in Education as well as a Teaching Certificate. I just moved to L.A. and need some temporary work for the summer. I am available for tutoring, babysitting, or summer-long nanny positions.

If you need help for any sort of travel plans, I fly for free on Delta and would be able to meet the family in order to watch the children.

I have a lot of experience with children including four years of teaching in public and charter schools. In high school I taught Sunday School twice a week. I am a 26 year old female who is very stable. I am creative, fun, silly, and have a love for.
