Hi!

I'm a writer and college grad with a degree in philosophy and psychology, focusing on learning and cognition and child development. I love working with kids and have ten years experience as a nanny, tutor and autism spectrum mentor.

I'm seeking a stable, part time position with a few sweet, bright kids!

I love doing arts and crafts with kids, reading, writing stories, going for nature walks, yoga, games, dancing and singing and encouraging creative expression and intellectual curiosity.

School-age kids are favorite to work with. I'm comfortable driving up to three children and have a safe, roomy SUV, clean driving record and insurance.

I'm a health conscious non-smoker.

If I sound like a good fit for your family, I'd love to hear from you!

Thanks!
